[MEDICINE CABINET]

Specification & Installation Guide

When using an electrical furnishing, basic precautions should always be followed, including the following:

⚠ **WARNING:** To reduce the risk of burns,fire,electric shock or injury to persons. Use this furnishing only for its intended use as described in these instructions. Do not use attachments not recommended by the manufacturer. Never drop or insert any object into any opening.Do not use outdoors.

⚠ **WARNING:** Risk of electric shock. Connect this furnishing to a properly grounded circuit only. See grounding instructions.

⚠ **CAUTION:** Maximum shelf load 34lbs/15.4kg

ELECTRIC CONNECTIONS

ALL WIRING SHOULD BE DONE BY A QUALIFIED LICENCED ELECTRICIAN.

⚠ **WARNING:** Shut off power before wiring the cabinet.

Requires 120 VAC 20 Amp GFI protected Circuit.

GROUNDING INSTRUCTIONS:

⚠ **CAUTION:** This product must be connected to a grounded metal permanent wiring system or an equipment-grounding conductor must be run with the circuit conductors and connected to the equipment grounding terminal or lead on the product.

⚠ **WARNING:** An Electrical option cabinet must be wired to a 20 Amp GFI (Ground Fault Interrupter) protected circuit when used in bathrooms and all other locations required by the National Electric Code.
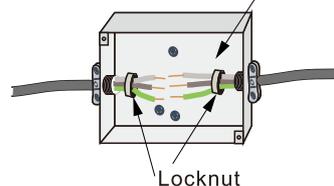

The electric wire comes through the access hole on the top of the cabinet, exact location of access hole varies depending on the product models. Please refer to the actual product for the exact location.

OPTIONAL DOOR ADJUSTMENT
Doors may need to be adjusted after the initial shipping of the cabinet. The cabinet doors have a three-way adjustment feature. Height, side-to side, level and depth can be adjusted. With the hinge slightly closed you can access the middle screw for up/down adjustment.
With the hinge fully extended you can access the front and back screws. These screws will move the door side to side and in and out

Tap ⊙ key to turn on the display .

Use and Maintenance:

The interior is constructed of mirrored glass and aluminum. Use only a damp cloth to clean. Ammonia or vinegar-based cleansers can damage mirrors.

When cleaning, spray the cloth, not the mirror, or surrounding surfaces. Do not use abrasive cleansers on any parts of the light fixture.

Limited Warranty Two Years Term

BLOSSOM warrants to the original purchaser that, it will, at its election repair, replace, or make appropriate adjustment to products made by this company shown to have significant defects in material or workmanship which are reported to BLOSSOM in writing within two (2) years from the date of delivery. BLOSSOM is not responsible for installation costs. The warranty is void in the event the product is damaged in transit, or if damage or failure is caused by abuse, misuse, abnormal usage, faulty installation, damage in an accident, improper maintenance, or any repairs other than those authorized by BLOSSOM. At the expiration of the two years warranty period, BLOSSOM shall be under no further obligation under any warranty, expressed or implied, including the implied warranty of merchantability. BLOSSOM shall not be liable for any consequential damages arising out of or in connection with the use or performance of its products. Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any liability against BLOSSOM under any implied warranty, including the warranty of merchantability, is expressly limited to the terms of this warranty. Permission to return any merchandise under this warranty must be authorized by BLOSSOM and returned prepaid by the purchaser. Claims under this warranty should be sent directly to your dealer.
